Lloyd's Register EMEA
71 Fenchurch Street, London EC3M 4BS

M. Jogia
Global Technology Centre
Southampton
Lloyd's Register EMEA

Lloyd's Register, its affiliates and subsidiaries and their resp- and collectively, referred to in this clause as the 'Lloyd's Register Group'. The Lloyd's Register Group assumes no responsibility and shall not be liable to any person for any loss, damage or expense caused by reliance on the information or advice in this document or howsoever provided, unless that person has signed a contract with the relevant Lloyd's Register Group entity for the provision of this information or advice and in that case any responsibility or liability is exclusively on the terms and conditions set out in that contract.

RATINGS

	Rope diameter (mm):	Minimum Breaking force of unspliced ropes (kN):
Covered ropes	20 to 96	271 to 6,280

Refer to DSR CORP technical documentation for minimum breaking load for specific rope diameters and types.

OTHER CONDITIONS

1. LR Type Approval does not eliminate any requirement for a test certificate, or inspection, where required for contractual or statutory requirements;
2. Quoted breaking strengths are minimum values, therefore no tested value may be below the stated minimum.

"This Certificate is not valid for equipment, the design, ratings or operating parameters of which have been varied from the specimen tested. The manufacturer should notify Lloyd's Register EMEA of any modification or changes to the equipment in order to obtain a valid certificate."
